From 11 guests upwards, one extra person (waitress) is required and this service is included in the Menu price.

The number of guests should be confirmed at least 1 week prior to the event.

Should there be a greater number of guests than ordered, please let us know 48 hours ahead so we can adjust the quantities.

Unless agreed beforehand, whichever Menu is chosen, all dishes will be the same for all.

In order to guarantee freshness and quality, the Chef shops the morning of the event and therefore depends on market availability and may have to change some minor details at the last minute.

The balance is to be paid off the day of the event, by Credit Card or Cash.

2/ Cancellation

Should there be a lesser number of guests than ordered, please give us a week's notice so we can adjust accordingly.

Should the client cancel less than 1 week prior to the event, the deposit will not be returned.
